Please ensure all warranty cards are completed and where required, returned to the supplier.

Prior to operating the dishwasher ensure the control taps (located under the sink) are fully opened and then turned back half a turn.

In the event of a malfunction:

- Check the apartment switchboard for a tripped circuit. Reset only once. If the circuit breaker trips again place a service call.
- Refer to the Operating Instructions provided.
- Check your Warranty.
- Do not contact Bovis Lend Lease, as repairs to appliances under warranty must be referred directly to the manufacturer.
- Contact the Manufacturer's Service division. Smeg Ph: 3266 0444, Fisher & Paykel Ph: 1300 650 590
