AIR CONDITIONING SYSTEM – TEMPORARY SHUT DOWN FOR REPAIRS

5th to 21st October

23rd Sept '20

Attention Residents – levels 25 and 45

The Aurora Tower Body Corporate has approved for major repairs to the building's Air Conditioning (AC) system.

WORKS ARE SCHEDULED FOR – 29 September to 21st October.
The air conditioning system will be shut down from 5 to 21 October.

Specifically to your levels :

Friday 9th October:

There will very limited access to the lifts in the morning and afternoon due to heavy equipment transfers and large scale works on levels 25 and 45.

Units 258, 259 and 458, 459 in particular, you may also be blocked from entering/exiting your unit for several hours due to the works occurring adjacent your entry doors.

We thank you in advance for your co-operation and patience.

Yours sincerely,
